Meal Delivery:

*Northern Berkshire Community Coalition Weekend Meal Delivery Program***.**

Berkshire County COVID-19 Emergency Response Fund to coordinate a weekend meal delivery service through our local restaurants to those community members who are currently unable to leave their homes and unable to access food on the weekend. This initiative is open to people who reside in any one of the seven north Berkshire towns [Williamstown, North Adams, Clarksburg, Florida, Adams, Cheshire, and Savoy]. At this time, we have budgeted for 150 meals for each weekend.

This program is intended to reach individuals and families **with no other access to food resources on weekends.** We strive to reach those families and individuals who are not already connected with a food pantry or meal program. We will be asking interested participants what food resources they are already accessing in order to avoid any duplication of efforts and so that we can expand our community's ability to provide for vulnerable populations.

If you know of any individual who is in need of food on the weekend because they are dependent on food delivery services at this time, please provide them with the nbCC main phone number, 413-663-7588. nbCC staff will be taking phone calls Monday through Friday, 9am-3pm. Orders for weekend delivery will be placed on Fridays at 3pm and deliveries will be coordinated for Saturday at a designated time.

This program is free of charge, as nbCC will be using the funds we were awarded to compensate both the restaurant and the delivery driver for their service.

FUNDING OPPORTUNITIES

Haymarket People's Fund (https://www.haymarket.org/) Haymarket has received a $1,000,000 grant from the Robert Wood Johnson Foundation to redistribute to grassroots groups across New England responding to the COVID-19 public health crisis and the health inequities it has amplified. This includes support for basic needs such as food, shelter, and economic assistance. Grants and will range from $5,000 to $15,000. This is a one-time funding opportunity.

Haymarket has always funded grassroots organizing, but groups providing direct services in their communities in response to the COVID-19 will be eligible for these grants. We are prioritizing frontline people of color-led organizations with budgets under $300,000.

You can find out more details on the grant program on our website www.haymarket.org or in the attached document.

The deadline for the first round of funding is Friday, May 15, by 5:00 pm. There will be a quick turnaround in decisions and grant awards. **We will continue to accept applications after this date until all funds are distributed. Haymarket's Funding Panel will meet every two weeks starting after May 15, 2020.**

For more information, questions, or to receive an application email Jaime Smith, Grants Director, at jaime@haymarket.org.
